

# NMATIK LABS

ALGORITHMIC SURGICAL GUIDANCE

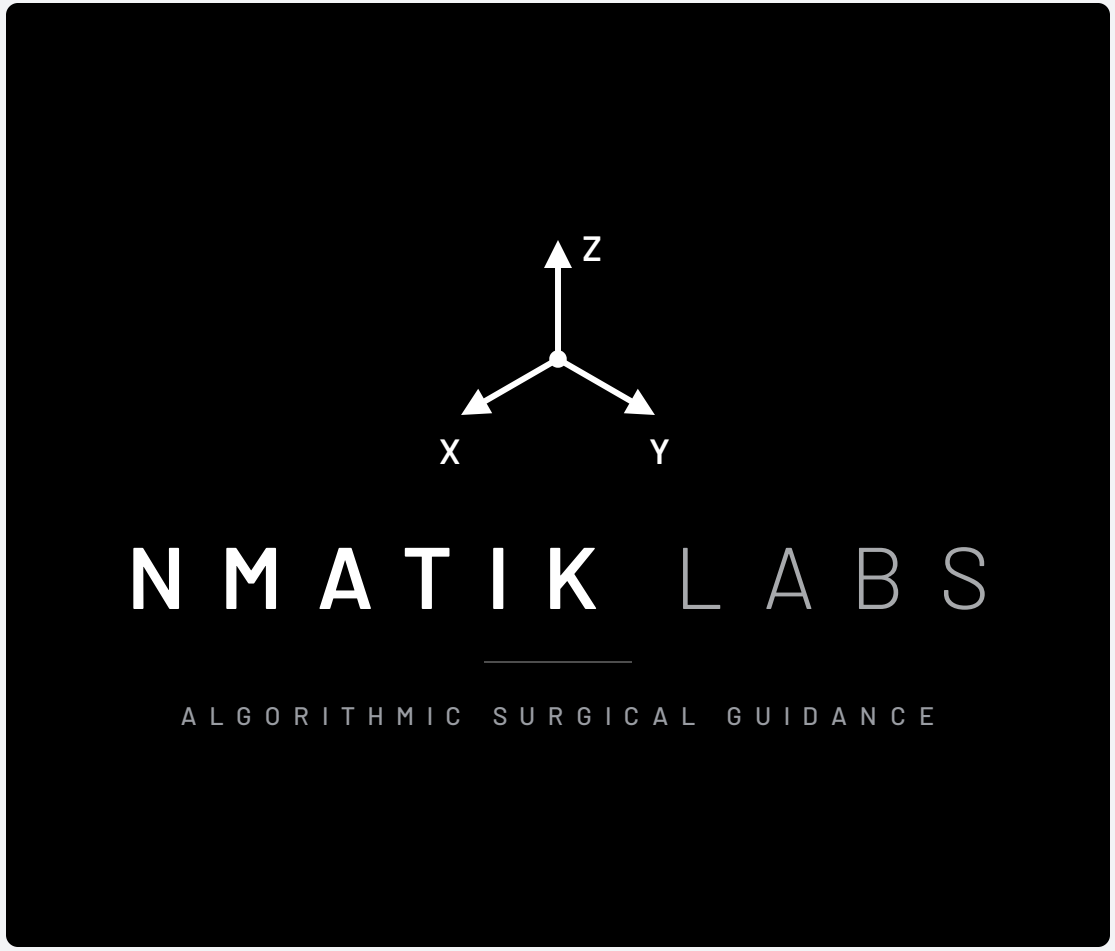

## BRAND GUIDELINES & ASSETS

Version 1.0 · October 2026

01

# Brand at a glance

One mark, one typeface and a three-tone palette carry every Nmatik Labs asset. The pose-axes mark says what the company does: it locates instruments and anatomy in three-dimensional space.

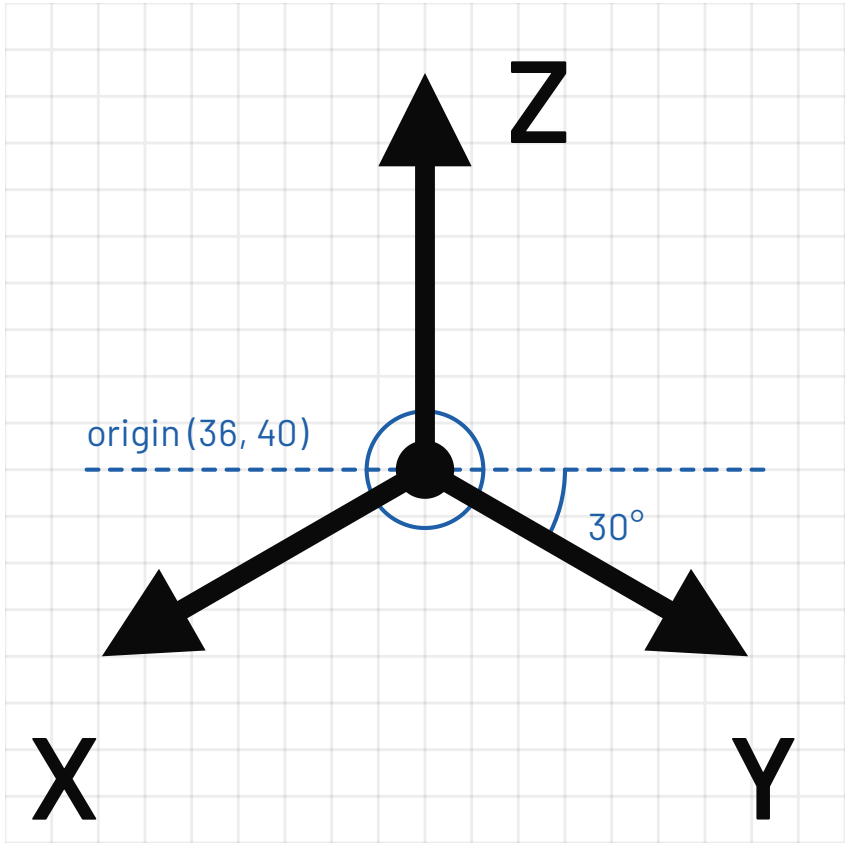

| | |
|---|---|
| COMPANY | Nmatik Labs |
| WHAT WE DO | Algorithmic surgical guidance |
| TAGLINE | High performance surgical guidance algorithms |
| LOOK | Aerospace: black, white and steel gray, wide-tracked capitals, a horizon seen from orbit |
| TYPEFACE | Barlow |
| SOURCE FILES | claude.ai/artifact/Q2tddgU2xLJtQGEjowhHZh |

02

# The mark

A right-handed coordinate frame: three arrows from one origin, Z pointing up. It is drawn on a 72-unit grid so it scales cleanly from favicon to wall size.

| | |
|---|---|
| GRID | 72 × 72 units |
| ORIGIN | (36, 40), filled dot, radius 2.4–2.6 |
| Z AXIS | Straight up, tip at (36, 6) |
| X AXIS | Down-left, 30° below horizontal, tip at (8.3, 56) |
| Y AXIS | Down-right, 30° below horizontal, tip at (63.7, 56) |
| SHAFTS | Stroke 1.6–1.75 units, round caps |
| ARROWHEADS | Solid triangles, 8 units long, 8 wide at the base |
| LABELS | X, Y, Z in Barlow SemiBold, 9–11 units, just past each tip |

03

# Mark color schemes

Mono is the default and keeps to the three-tone palette. RGB follows the robotics convention (X red, Y green, Z blue) for technical audiences; never mix the two.

MONO ON DARK · DEFAULT

MONO ON LIGHT

RGB ON DARK

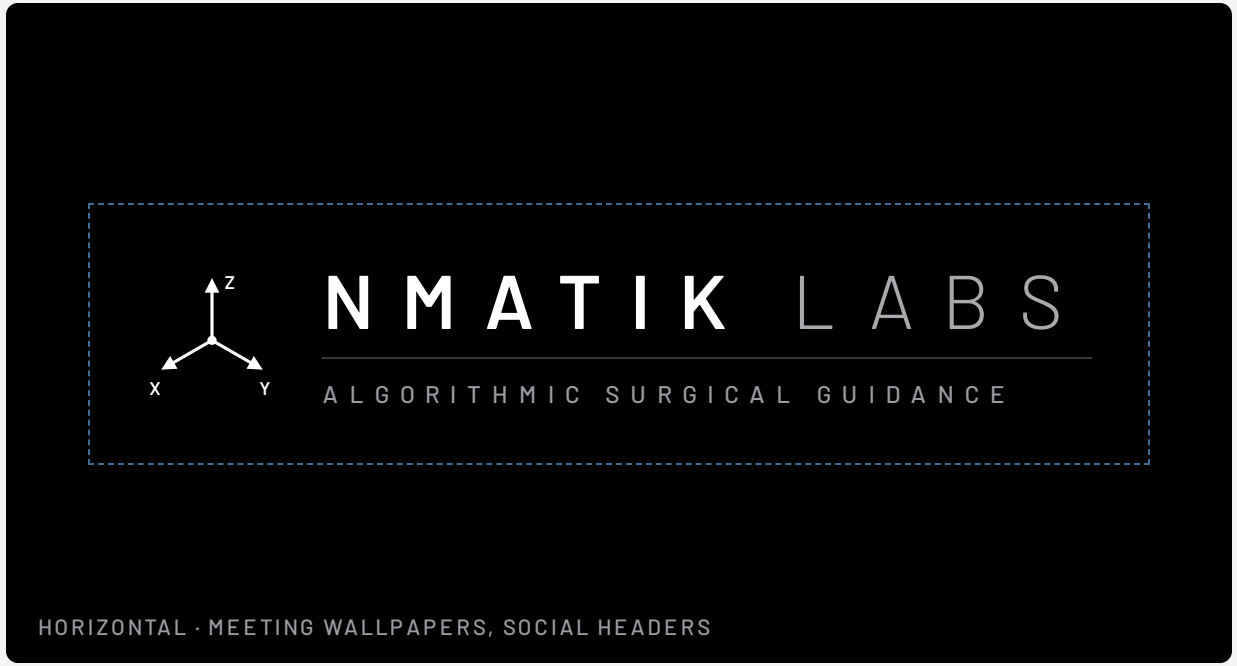

RGB ON LIGHT

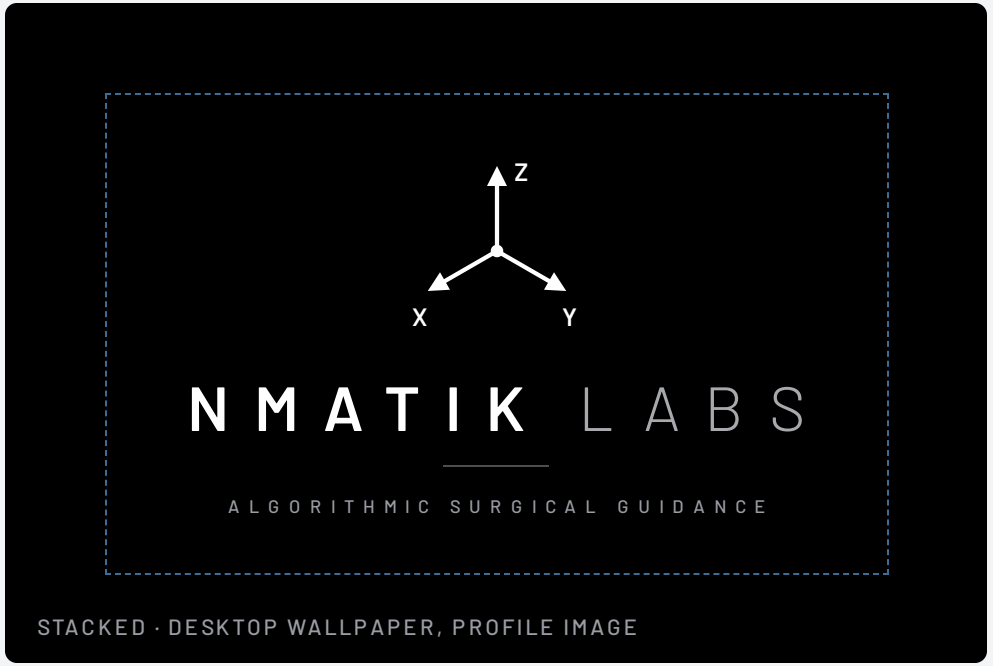

04

# Lockups & clear space

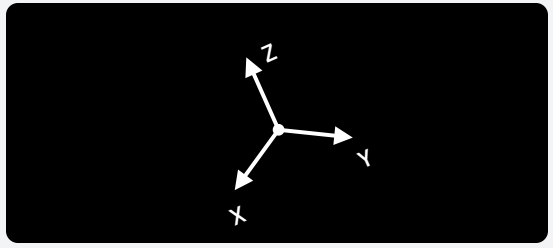

Keep at least half the mark's height clear on every side (dashed). The wordmark is NMATIK in SemiBold white and LABS in Light steel gray, tracked 0.38–0.40 em.

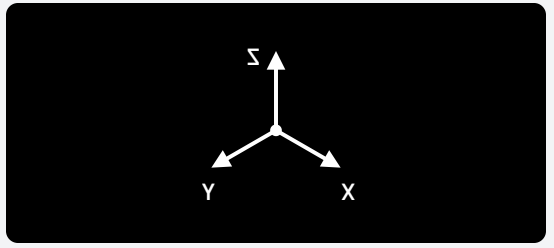

HORIZONTAL · MEETING WALLPAPERS, SOCIAL HEADERS

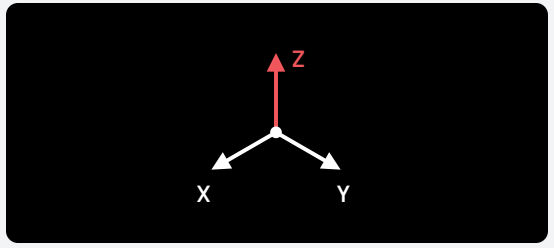

STACKED · DESKTOP WALLPAPER, PROFILE IMAGE

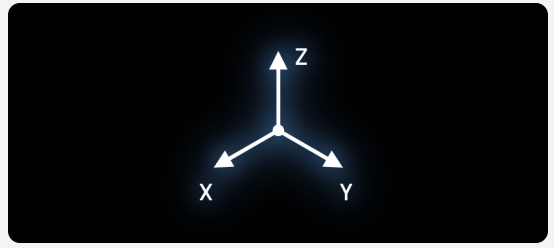

× ROTATE

× MIRROR

× RECOLOR ONE AXIS

× ADD GLOWS OR EFFECTS

05

# Color

Black, white and steel gray, with blue held back for accents and the horizon glow. Every text gray stays above about 7:1 contrast on its background.

## DARK THEME · PRIMARY

**Space black**
#000000
Background

**Horizon**
#06070A
Planet fill

**White**
#FFFFFF
Type, mark, stars

**Steel gray**
#A7A9AC
LABS, secondary

**Signal gray**
#9A9DA3
Descriptor, role

**Atmosphere**
#5A87C3
Horizon glow, 35%

## LIGHT THEME · ALTERNATE

**Clean room**
#EEF0F2
Background

**Ink**
#0A0A0B
Type, mark, planet

**Graphite**
#4A4E55
LABS, secondary

**Accent blue**
#5B9BD5
Optional, dark

**Accent deep**
#1F5FA8
Optional, light

## RGB AXES · MARK ONLY

**X red**
#F0565B
Dark grounds

**Y green**
#46C27A
Dark grounds

**Z blue**
#5B9BE6
Dark grounds

**X red**
#C8322F
Light grounds

**Y green**
#1E8A4C
Light grounds

**Z blue**
#1F5FA8
Light grounds

06

# Typography

One typeface does everything. Wide tracking on capitals carries the aerospace feel; when tracked text is centered, pad its left side by the tracking amount.

Aa

## Barlow

Google Fonts · SIL Open Font License
Fallback: Helvetica Neue, Arial, sans-serif

Light 300 — LABS, taglines

**Medium 500 — descriptors, names**

**SemiBold 600 — NMATIK, axis labels**

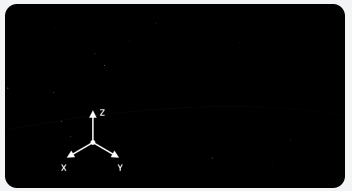

| ELEMENT | WEIGHT | SIZE | TRACKING |
|---|---|---|---|
| **NMATIK** | 600 | 46–76 px | 0.38–0.40 em |
| LABS | 300 | = NMATIK | 0.38–0.40 em |
| DESCRIPTOR | 500 | 14–20 px | 0.46–0.50 em |
| Tagline | 300 | 44 px | 0.01 em |
| **Nameplate name** | 500 | 30 px | 0.02 em |
| ROLE | 500 | 14 px | 0.32 em |

07

# Messaging & motifs

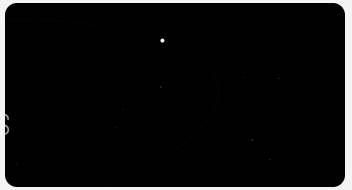

Two descriptors are currently in use; standardize on one before the next print run. Background motifs stay faint so the logo and type lead.

| LINE | TEXT | USED ON |
|---|---|---|
| Name | Nmatik Labs | All assets |
| Descriptor | Algorithmic Surgical Guidance | Desktop, social |
| Descriptor (alt.) | Surgical Intelligence | Meeting wallpapers |
| Tagline | High performance surgical guidance algorithms | Meeting wallpapers |
| Nameplate | Nicolas Gonzalez-Romo, CEO | Meeting wallpapers |

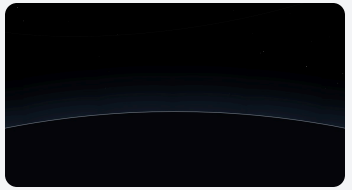

**Star field**

White dots 1–3 px at 20–80% opacity, top three-quarters of the frame. Dark only.

**Orbital ring**

1 px ellipse tilted 5–8°, white at 8%, one accent satellite dot.

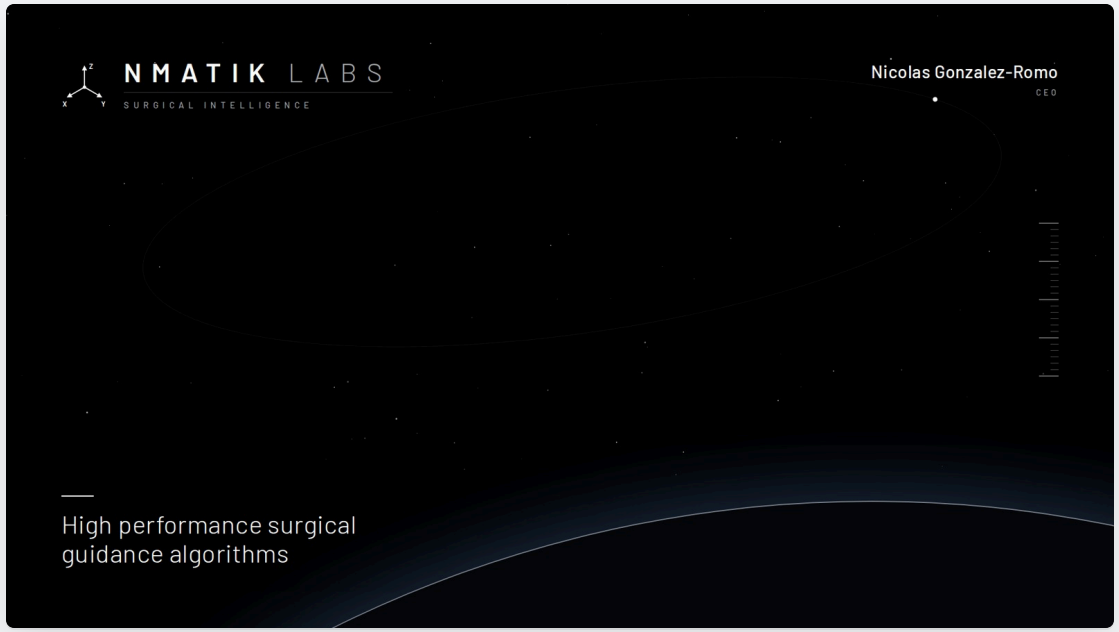

**Horizon limb**

Oversized circle from the bottom edge, 2 px pale rim, soft blue glow.

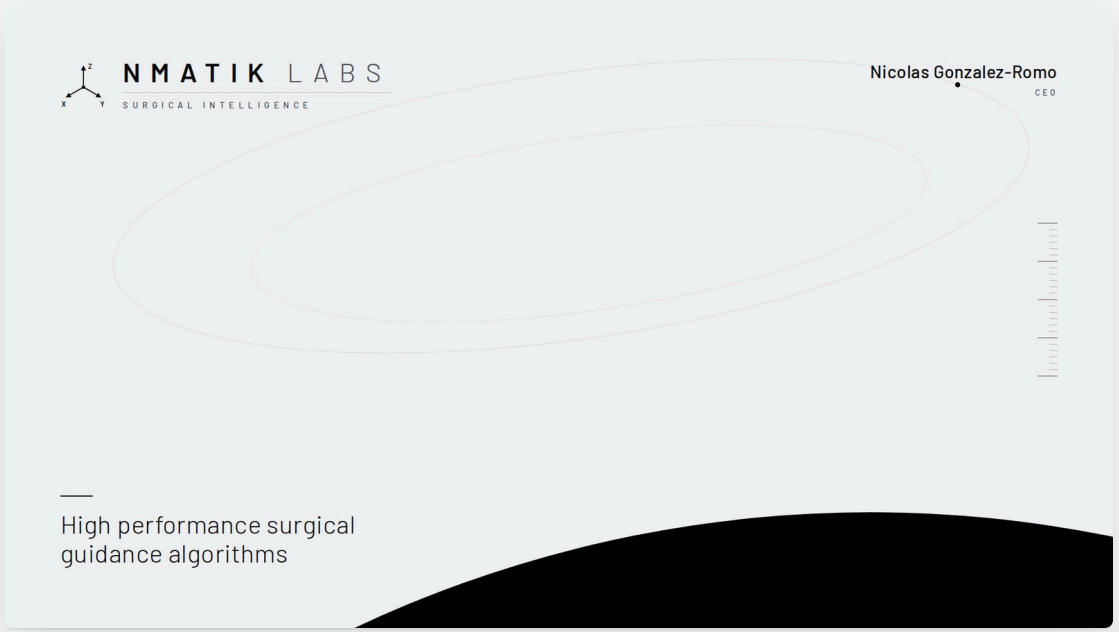

08

# Meeting wallpapers

Virtual backgrounds for Zoom, Teams and Google Meet.

**Horizon · dark** 1920 × 1080 px

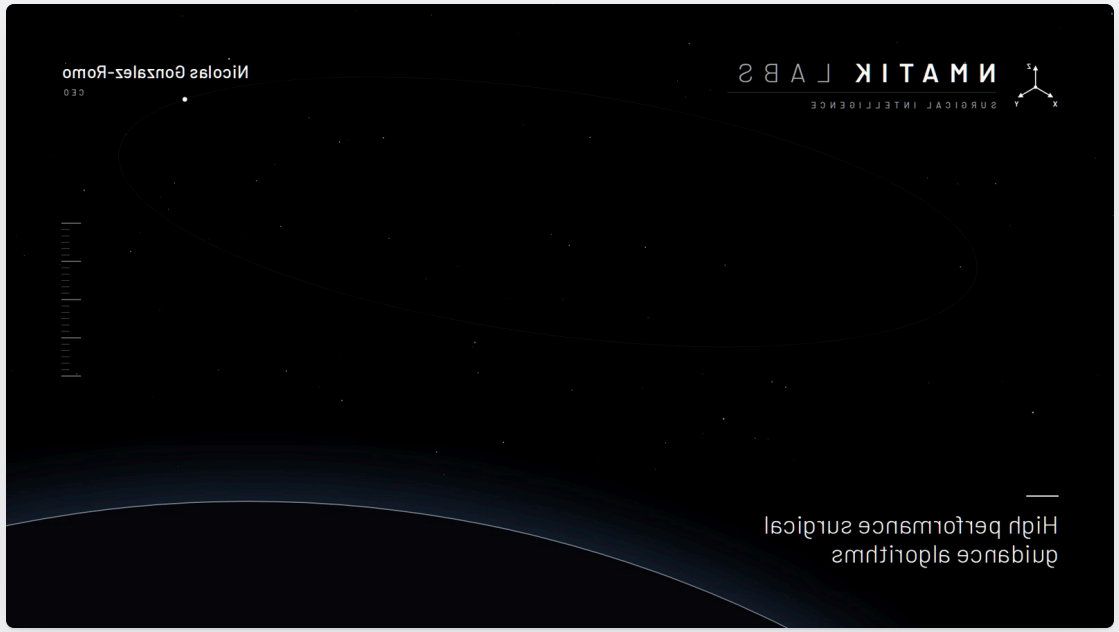

**Clean Room · light** 1920 × 1080 px

Lockup top left, nameplate top right, tagline bottom left, tick gauge on the right edge; the center is left clear for the speaker. Use Horizon by default and Clean Room in brightly lit rooms.

09

# Mirrored wallpapers

Horizontal flips of both meeting wallpapers, for special cases only.

**Horizon · mirrored** 1920 × 1080 px

**Clean Room · mirrored** 1920 × 1080 px

Zoom mirrors only your own preview, so others already see the normal wallpaper correctly. Use these only with apps that send out a mirrored image; otherwise turn off Settings › Video › Mirror my video.

10

# Desktop wallpaper

Stacked lockup centered above the horizon, clear of the macOS menu bar and dock.

**Desktop wallpaper** 2560 × 1440 px · scales to 1920 × 1080

11

# Social headers

Content is centered and raised: both platforms cover the lower left with the profile photo, and phones trim the edges.

**X / Twitter header** 1500 × 500 px

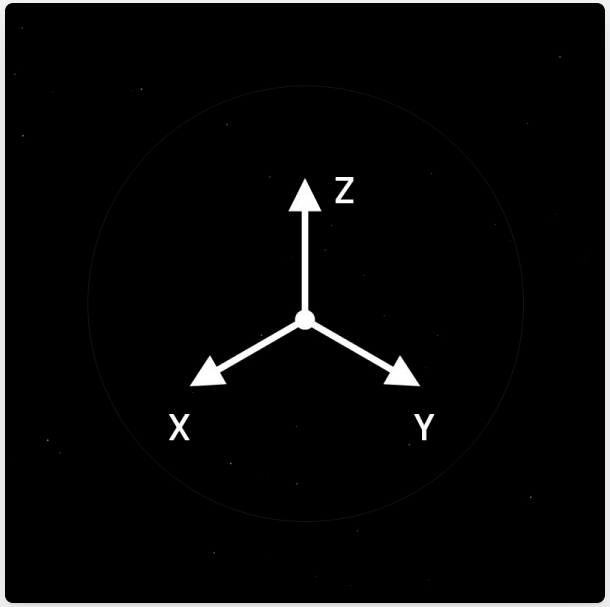

**LinkedIn banner** 1584 × 396 px

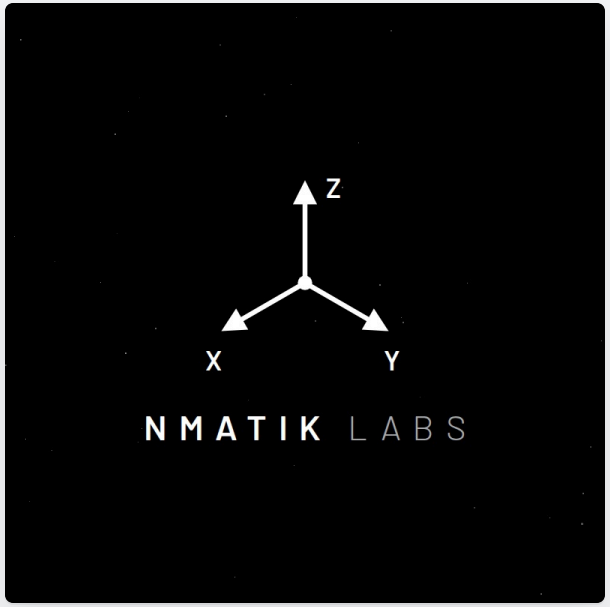

12

# Profile images

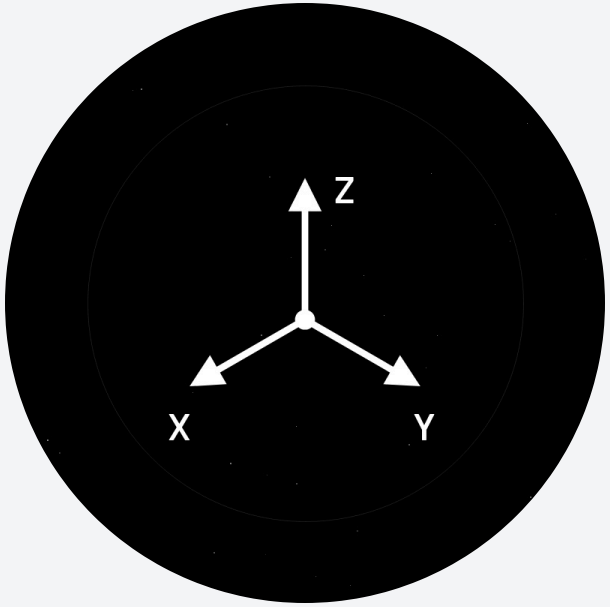

The mark alone reads best at avatar sizes; the named version suits company pages where the image is larger.

**Mark** 800 × 800 px

**Mark + name** 800 × 800 px

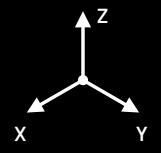

**As shown in a circle crop** Keep content in the central 70%

13

# Asset specifications

| ASSET | SIZE (PX) | LAYOUT | USE |
|---|---|---|---|
| **Meeting · Horizon** | 1920 × 1080 | Lockup top left, nameplate top right, tagline bottom left | Default video-call background |
| **Meeting · Clean Room** | 1920 × 1080 | Same as Horizon, light theme | Brightly lit rooms |
| **Meeting · mirrored (×2)** | 1920 × 1080 | Horizontal flips | Apps that send a mirrored image |
| **Desktop wallpaper** | 2560 × 1440 | Stacked lockup, centered | Computer desktops |
| **X header** | 1500 × 500 | Horizontal lockup, centered, raised | X / Twitter profile |
| **LinkedIn banner** | 1584 × 396 | Horizontal lockup, centered, raised | LinkedIn profile or page |
| **Profile · mark** | 800 × 800 | Mark in a thin ring | Small avatars |
| **Profile · mark + name** | 800 × 800 | Stacked mark and wordmark | Company pages |

All assets export as PNG from the design canvas. Wallpapers use a 96 px edge margin at 1920 px wide. Canvas tweaks set accent color, mono or RGB axes, horizon glow and star count before export.
